ATT: Mr. Robin Sharpless

Dear Sirs,

**Re: REDDING RELOADING EQUIPMENT / SOUTH AFRICAN TARGET RIFLE TEAM**

We refer to the above and the World Long Range Championships that was held at Camp Perry during August 2015.

For Fullbore shottist around the world, the World Long Range Championships represent the highest point of achievement on the international stage. The championship experience change shottist lives forever. This experience was nearly ruined and/or taken away from us due to unforeseen circumstances that you are well aware of.

Thank you for your significant contribution towards resolving our ammunition problems and made this tour a success for our shottist with memories to last them a lifetime. Reloading with Redding Reloading Equipment was to reload at home away from home as most of us use your reloading equipment.

We value your commitment to target rifle shooting and your readiness to supply us with the reloading equipment we needed.

We attach hereto some photos of the process and results.

On behalf of the South African Bisley Union and the South African Target Rifle Team, we say "THANK YOU". We appreciate everything that you have done and look forward to a friendship for many years to come.

Kind Regards,
