Redding Offers Type –S Bushing Style Die Sets for the New 17 Hornet Cartridge

Cortland, NY.....The new 17 Hornet is an exciting cartridge filling a unique niche for the low noise, low recoil shooter interested in varmint hunting. It has shown very good accuracy potential and is both easy and inexpensive to handload . Now with SAAMI acceptance, Redding Reloading Equipment is offering Type _S Bushing Style dies and die sets for this cartridge.

The 17 Hornet is now offered in Standard Type S and Type S Match die sets (with the Competition Seating Die). These will be in distribution and available from a number of Redding's resellers throughout the US shortly after the 2013 SHOT Show. Like all Redding Die sets these are proudly 100% American made in Cortland NY, USA with American Steel, American Labor and on American Made Machinery.

Part numbers for these new die sets are:
78279 for the Type – S Bushing Neck Die Set
36279 for the Type – S Match Bushing Full Die Set
38279 for the Type – S Match Bushing Neck Die Set
11014 for the Shellholder

Redding Reloading Equipment has focused on building the finest quality, American Made products for the precision handloading market since 1946. To find more information and to request a copy of the new 2013 Redding catalog visit:
