Redding Reloading Equipment Proudly Announces Dies & Die Sets

Now Available for the 25 X 47 Lapua

Cortland, NY..... Redding Reloading Equipment is pleased to announce the launch of precision dies and die sets for the 25 X47 Lapua cartridge—an emerging favorite among precision shooters and varmint hunters. The 25 X 47 Lapua is a modern cartridge derived from the 6.5 X 47 Lapua, a proven performer in precision rifle competitions. By necking down the parent case to accept .257 caliber (6.35mm) bullets, the 25 X 47 Lapua offers an exceptional balance of speed, accuracy and barrel life.

Now available:

- Full Length, Neck and Deluxe Die Sets
- Premium and Premium Deluxe Die Sets
- Type – S Bushing Neck Die Sets
- Individual Dies (Bushing and Conventional)

Each die is designed for optimal case alignment, repeatable performance, and exceptional concentricity—hallmarks of Redding's quality and durability. Options include micrometer-adjustable seating dies and interchangeable neck bushings for custom neck tension.

About Redding Reloading Equipment
