**Redding Reloading Equipment Proudly Announces  
New Dies and Die Sets for the 6MM Dasher**

Cortland, NY..... Redding Reloading Equipment introduces a Competition Bushing Neck Die and Die Set as well as Premium and Premium Deluxe Die Sets for the 6MM Dasher. A 24-caliber, highly accurate and mild recoiling cartridge which can be used in numerous different rifle actions including Modern Sporting Rifle platforms. The round is recognized as a very successful dual-purpose competition and hunting cartridge.

With a number of manufacturers releasing rifles and more and more new bullets reaching the market, it is time to get to the range and start practicing for the upcoming seasons. Redding dies and die sets provide the needed capability to produce high quality loadings for all requirements in preparation for that "once in a lifetime moment." Through its entire range, the Redding Reloading product families exemplify quality and precision and have been designed, produced and tested at our facility in Upstate, New York.

Redding continues to add cartridges to its standard product lines as consumer demand and industry support grows.

**About Redding Reloading Equipment**

For the past 79 years, Redding Reloading has continued to pace the handloading market by holding firm to beliefs that quality, innovation and excellent customer service are the keys to success.
